# IN APPRECIATION

Emerson said, "An institution is the lengthening shadow of one man." Yearbooks are like that, too: they are the reflection of the influence of one person.

"Byron Ellis accepted the responsibility of sponsoring the Harrisonian at a peculiarly difficult time. He accepted it graciously and completely, with a willingness to bring to the book the very best that he had in ability and in purpose. He has stood by his commitment with dignity and honor, setting standards for himself and for the young people who have been privileged to work under his guidance that may well be used as a pattern for those engaged in comparable high school activities—standards of integrity in plan and practice, of efficiency and accomplishment, of service to the school and to the community.

It is fitting that as the yearbook of Harrison High School enters its twentieth publication under Mr. Ellis's leadership, recognition be made of his contribution to its value and success. I am sincerely pleased and honored in having the opportunity of joining with others in his recognition."

*George F. Cassel*

Former Acting Superintendent of Schools,  
Chicago, Illinois

a sweet girl  
I've had in  
division for  
4 years.

Love

The Harrisonian Staff is to be congratulated on the choice of its theme for the 1954 issue of the yearbook. Harrison is a part of the community which it serves, and Service is its motto: service to its students; to its community; and to the city which supports it. The HARRISONIAN, with its excellent pictures and descriptions of every activity of the school, since its beginning, plays an important role in the history of the school. Each year, each semester, constant reference is made to past issues for information concerning former graduates, teachers and the policy of the school.

Four years ago each of us wished that Harlan, chosen for one year to be general. We have achieved that goal, yet somehow we feel it came too quickly.

As we look back at our Harlan years the thoughts of our many dances and parties, our activities we have attended seem so distant. But, the memories of our lives with Harlan will never be forgotten.

Finally, our Harlan, gratefully thanks and is given to the partners who made it all possible to our dear friend Miss V. L. H. H. Her contribution will always be remembered and we have now achieved

For the first year, the A-100 had 100,000 words in it, and it was  
revised the following year to 100,000 words. In 1957, it was revised  
the third time.

[illegible]

I have been thinking about you a great deal lately, and wondering how you are getting on. I hope you are well and happy.

Your friend,  
John Doe

It is not, however, the case that  $\mathcal{W}_1$  is a  $\mathcal{W}_2$ -subalgebra of  $\mathcal{W}$ . For, if  $\mathcal{W}_1$  were a  $\mathcal{W}_2$ -subalgebra of  $\mathcal{W}$ , then  $\mathcal{W}_1$  would be a  $\mathcal{W}_2$ -subalgebra of  $\mathcal{W}_2$ , and hence  $\mathcal{W}_1$  would be a  $\mathcal{W}_2$ -subalgebra of  $\mathcal{W}_2$ . But  $\mathcal{W}_1$  is not a  $\mathcal{W}_2$ -subalgebra of  $\mathcal{W}_2$ , since  $\mathcal{W}_1$  is not a  $\mathcal{W}_2$ -subalgebra of  $\mathcal{W}_2$ .

## A collage of black and white photographs from a yearbook. The images are arranged in a non-linear fashion, overlapping and scattered across the page. The photos depict various students in different settings: some are formal portraits, others are candid shots of students in groups, and some show students in specific activities or poses. The overall theme is a collection of memories from a school year.

### SPRING

A few months ago, I was very fortunate to have met a group of young women who were under the capable guidance of a wonderful teacher, Mrs. Buntman.

When I met them, they were in the middle of their Football, Basketball, and Track season. They were very busy and had a lot of things to do. They were also very friendly and had a lot of fun.

As a way of saying thank you to Mrs. Buntman, I decided to write a few lines for her. I hope you will like them. I hope you will also like the thought of them.

These few lines are a small memory shall never forget.

Time has come to depart from our most treasured acquaintance and to face the future that lies ahead.

Division 8-318 has surely prepared for this fete. We owe many thanks to Mrs. Edith McNair who, indeed, is a most understandable and generous person as well as a teacher. Surely she will linger in our memories for a long time.

We are proud of LaVerne Kohut who has been elected the Vice-President of our graduating class.

All we can say, as we bid our goodbye, is

"It's been grand" and "I'll be seeing you."

SPRING

Now it is time to put our school days at an end. We have acquired and experienced much from high school days, but we have many greater experiences and achievements.

We leave with cherished memories of all our teachers and friends. Memories that we will recall later in life.

We, of Div. 8-400, would like to express our deepest gratitude to Mr. Bergh for his wonderful guidance through our four years at Harrison. Also to all teachers who have aided us in reaching our goals.

And so we say *Goodbye to Harrison*

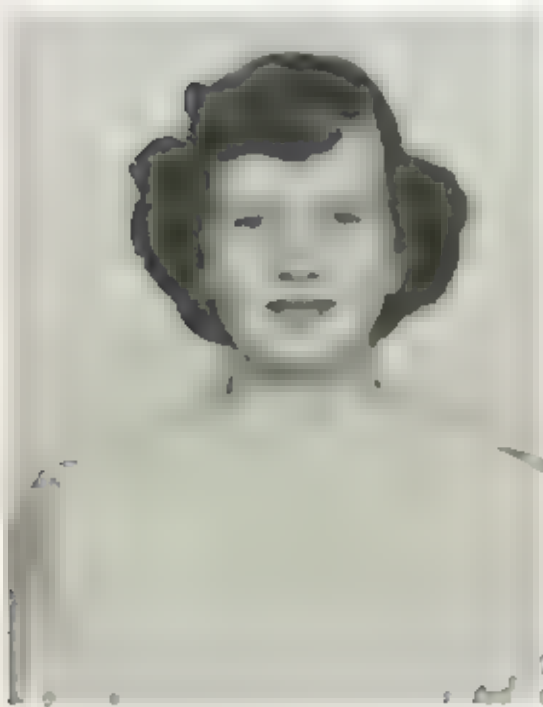

SHARON BASCO, a former member of the June 1954 Graduating Class, took part in many of Harrison's school activities. She left school a year ago, when she needed an operation. We had hoped for her return in order that she might graduate with us.

Sharon died November 10, 1953, while still in the hospital.

## IN MEMORIAM

CHARLES KLAMIK, a brilliant art student, was a member of the June 1954 Graduating Class. He took part in many art contests, and received well deserved awards for his extremely fine work. He contributed much time to art projects here at Harrison.

Charles died November 22, 1953. His death was caused by an unavoidable accident.

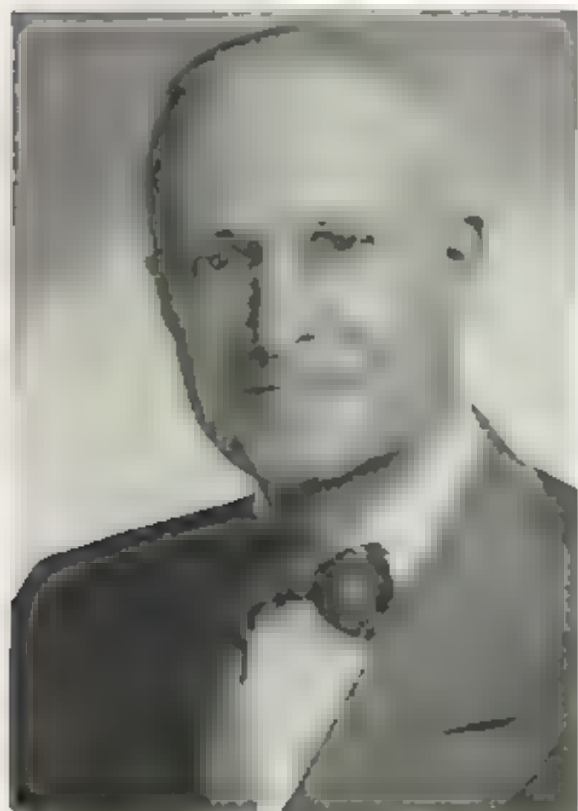

JANET AUMANN, a well liked member of the June 1954 Graduating Class, was an active member in the school activities here at Harrison. She participated in these activities energetically and enthusiastically. She took the same interest in all her classes and friends.

Janet's death came one evening while in her sleep on February 17, 1954.

# STAGE CREW

The young men who serve on our Stage Crew do so with the feeling that they have the honor of working with the most important and varied group of subjects.

It is their job to set up the stage properties such as, the public address system, the screen, all lighting effects and scenery, and keep them in good working order.

The hardest job that they have to do is to keep up with the fast-paced studies. Stage crew work requires many periods of service trying to help the other fellow — you.

We would like to draw attention to thank George Kush for his untiring, willing and efficient service.

FALL

MR. FREESE

It seems that only yesterday we were freshmen. Now we are in the first half of our junior year.

During the semester, our division has participated in such activities as Masque and Gavel, Student Council, Orchestra, Band, ROTC, the Honoruses and the Bowling League. We have all tried to keep our class averages high and we have quite a few students in the Honor Society.

Of course we never would have reached this point if we didn't have the capable and understanding guidance of our division teacher, Mr. Freese.

# DIVISION 5-346

FALL

After three years of hard work we now appear before you as Juniors. We have come a long way since those "Freshie" days.

We have had many interesting experiences since we have been in Division 5-346.

Our first division teacher was Miss W. She was succeeded by Miss Klinger, and then by Miss W. We hope will stay with us.

We in Division 5-346 are proud of our record. Our record had been good since our Freshmen days. We have ten members on the Honor Roll, and the others are all doing nicely.

Our activities include Football, Choir, Band, and Orchestra. Our girls are GAA enthusiasts.

## FALL

For the first time we saw a large wide eyed with great curiosity  
As we entered the building we saw the elevators that ran to the 5th floor  
and the mad rush of the students.

Filled with excitement and curiosity we entered the building but  
not lost doing so we found our way to the 5th floor.

After a few weeks we had found our way to find our room we  
realized that we had come to a fine school and met many nice teachers and  
new friends.

BY MARCIN K. HOFFMAN

We of Division 5300 have had many exciting experiences. So many in fact we do not know which to tell first. The future holds a more exciting year and the sky is the limit. These are only a few of the exciting things at HTHS.

DOLORE MALKOWSKI Homecoming Representative

Another exciting experience for a girl in Division 5300 was a new division. She moved from the Fall where she was enjoying a splendid year of high school. At the time she lived in the old she found the way back to the new. Homecoming HTHS.

FALL

The Division 5-229 team, consisting of all the students and faculty members, met on the first day of school to discuss the year's activities.

The first activity was a presentation by Mr. Prokop, who was very helpful in explaining the various activities and the importance of the Division 5-229 team.

The second activity was a presentation by the Division 5-229 team, which was very informative and interesting.

We will be having a variety of activities throughout the year, including the Division 5-229 team, Choirs on the first day of school, the Division 5-229 team, and the dear old Hall Guards.

FALL

Division 5-116 has many memories of the holidays of 1951.

Decorations were hung in the halls with red string around our  
 windows. What? To bring toys for the or  
 phans.

We were a little shy on the back, but we are quite proud  
 of all of our contributions and especially the 25" doll donated by one of us.  
 We will know they are all happy and healthy and we are  
 doing it.

Two and a half years ago the students of our division entered Harrison as scared little freshmen. We all thought it would take forever before we would become seniors, but now it seems the time is going too fast.

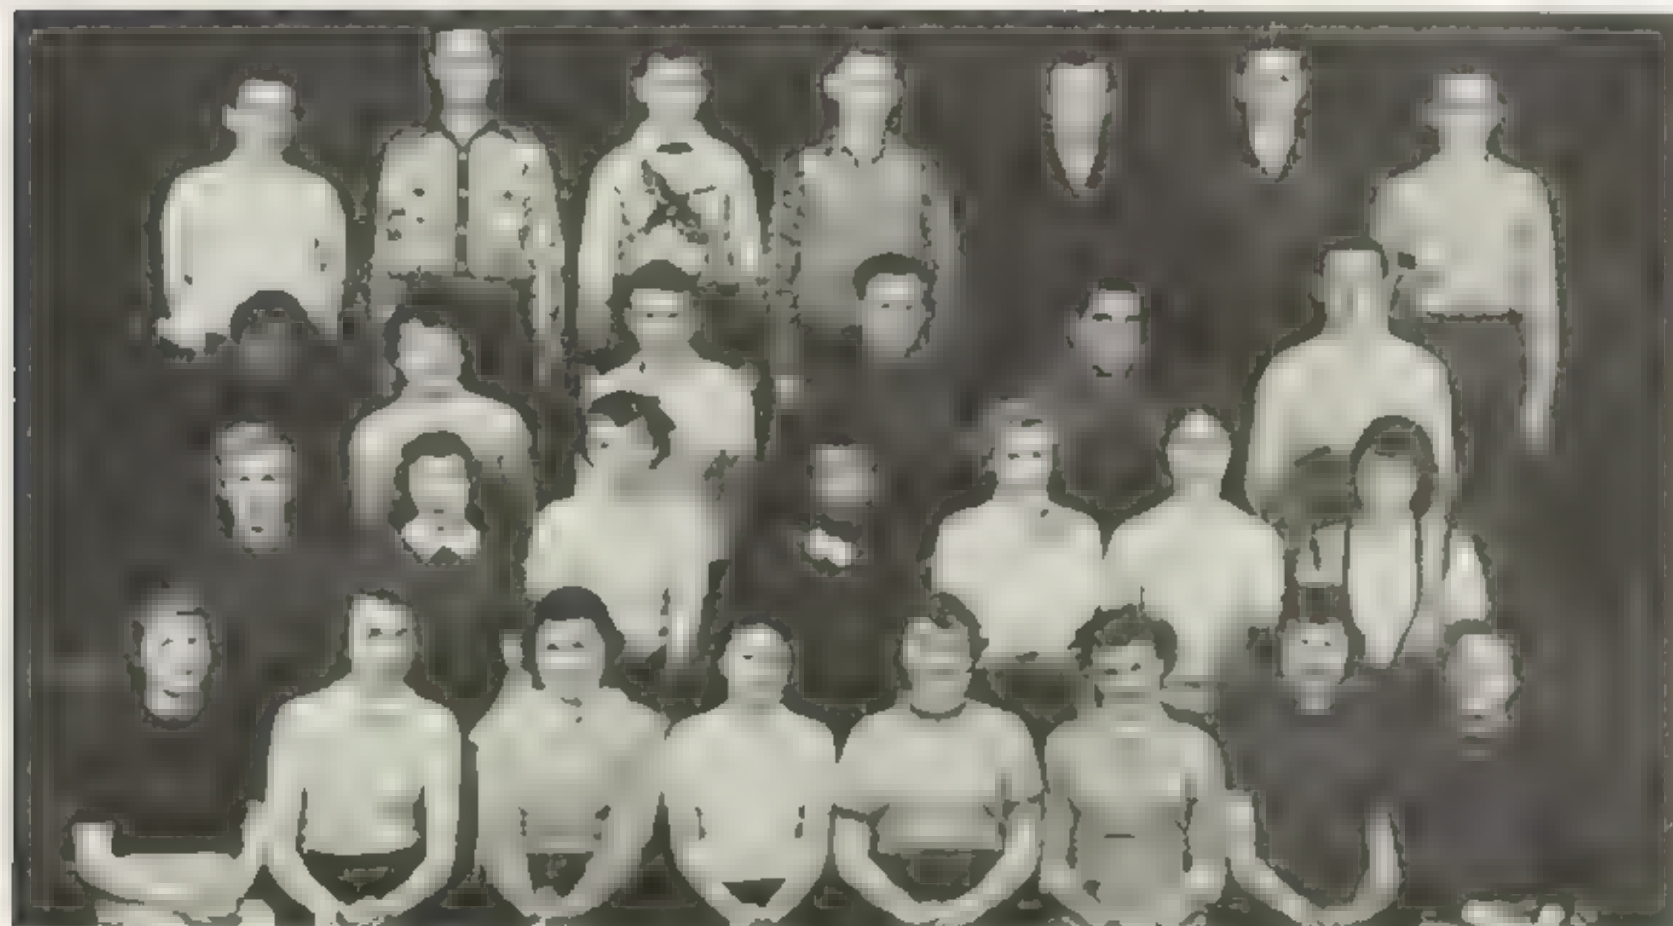

Most of us have had a very good year of school. We have perfect attendance records and have been very successful in our studies.

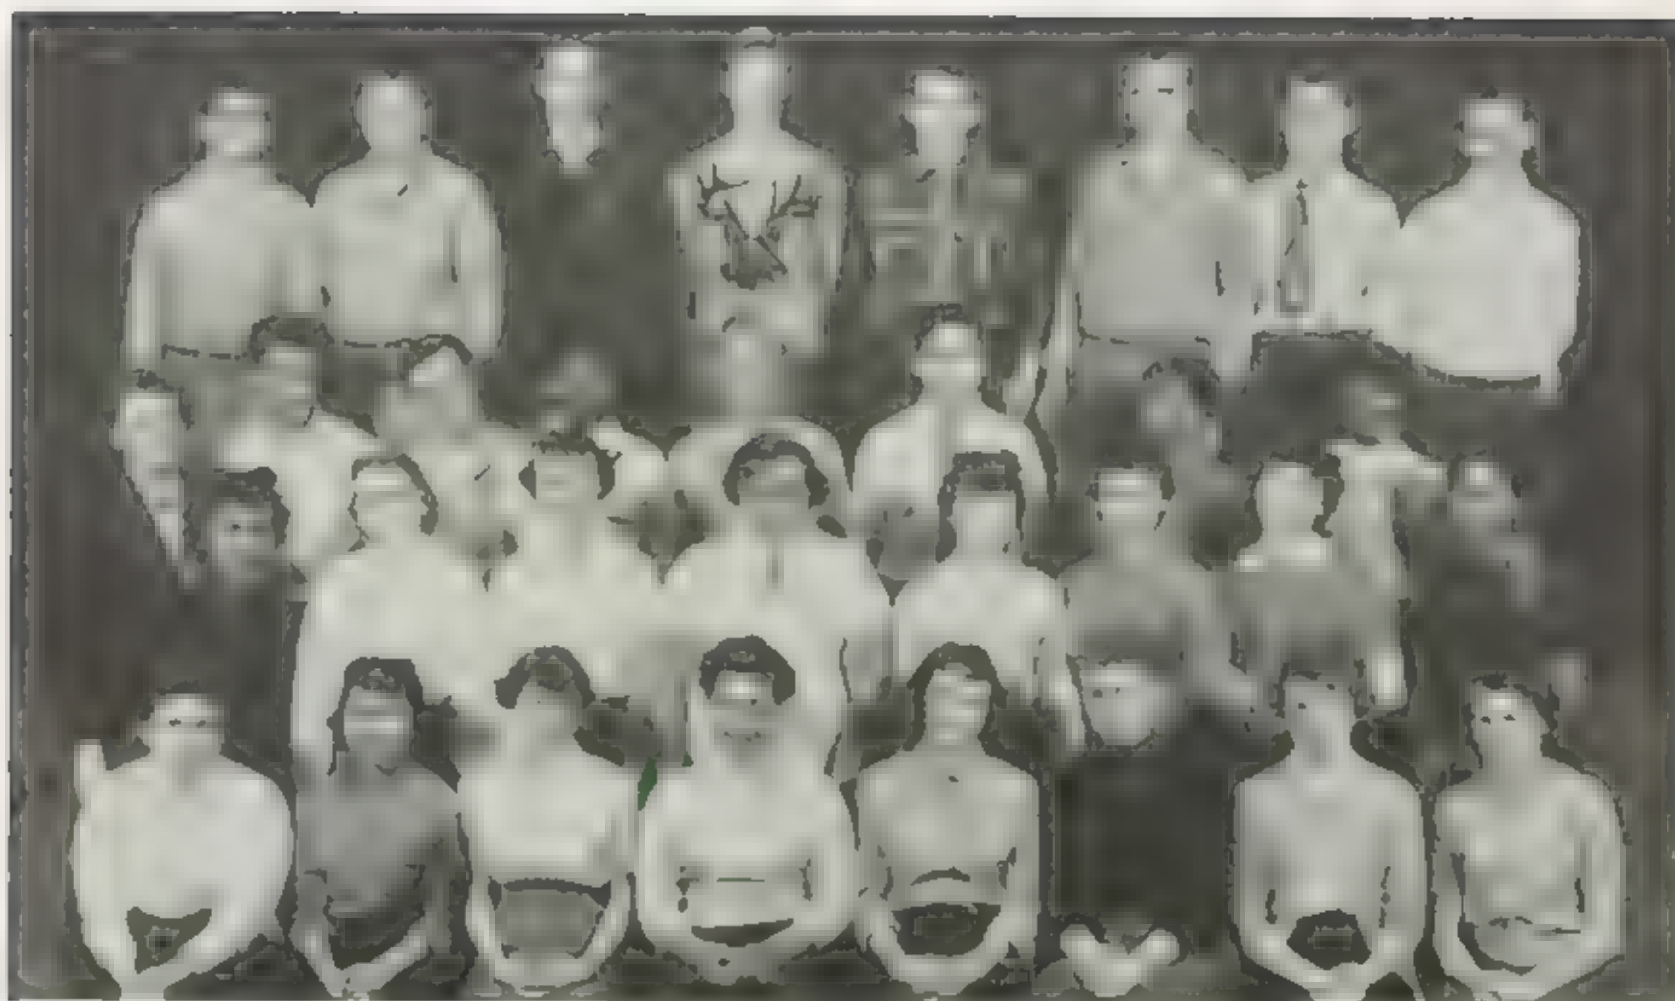

Our officers for the year are:

President	John F. Smith
Vice President	John F. Smith
Secretary	John F. Smith
Treasurer	John F. Smith

All of us are very proud of the influence of Miss Link.

# GIRLS' BOWLING

Bowling is a popular sport for girls of all ages.

The girls' bowling team was organized in 1921 and has since that time been a part of the school's athletic program. The team has won many championships and has been a source of pride for the school.

A recent success for the team was their victory in the state championship tournament held in 1934.

In 1934 the girls' bowling team participated in the Annual Banquet held at the school. The team was awarded a trophy for their success in the tournament.

The girls' bowling team is composed of girls of all ages and is open to all girls who are interested in the sport. The team is coached by Mr. J. H. Smith, who has been a member of the team since 1921. The team practices twice a week and competes in tournaments throughout the year.
